Tempe, AZ 85282

Program Room

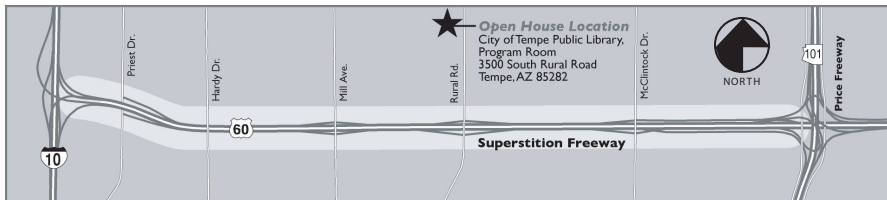

6:00 p.m. to 8:00 p.m. MST

**Presentation at 6:30 p.m. MST**

The project will add one additional general purpose lane in each direction generally between Hardy and McClintock Drives. Auxiliary lanes also will be added at select locations to assist drivers with merging at on ramps and off ramps.

**Attend an Open House**

The general public is invited to attend a public open house on September 27th to review and provide comment on the design plans for this project. Representatives from ADOT will deliver a brief presentation at 6:30 p.m. and will be available to provide additional information, answer questions, and discuss the project with the community.
